October 18 - 23  
Tell Him Youth Tent

November 16  
Year 12 Farewell Chapel

November 16  
Year 12 Progressive Dinner

## PRINCIPAL'S MESSAGE

BY ANDREW NORTH

Dear Carlisle Family,

What a term it has been! There have been lots of positivity with the Concert, Grandparents Day, Father's Day Stall, Cake Auction, Book Week and Yr 3-6 camps etc.... Then there has been stress from relocating the Prep Room and Tuckshop! This will become more of a positive when these rooms are renovated and ready for Term 4!

In these ventures and activities, I have again marvelled at our school community and their willingness to help. Thank you!

There have been some other "plagues" this term that you may not have heard about. They have not been divinely appointed, I am pretty sure. They do seem to somehow be loosely linked as a punishment for me moving South next year! Plague one was a definite surprise. Imagine my joy when opening my office door upon returning from a week on camp with Year 6 (who were awesome!) and finding this! The cups did have water in them!

# Principal's Message Cont..

Plague 2 was a vast improvement. I was given a treasure hunt around the whole school. To get to the next correct clue/classroom I had to solve a math problem. The classes were very excited to help me, just like Year 1 pictured here. However, when I progressed to Grade 7, I realised that the new math Pathways program is working well. Year 7 had to help me solve the math equation! They did really well.

Finally, my treasure was revealed! And I know the students are keen to know what it was. Let me say that staff are helping me with the "treasure." It is a well-deserved treat for them all on the last day of a busy term.

# YOUTH TENT

Pastor Rangoso, Pastor Maciej and a big support team are organising something great and spiritually led. As you are aware the last 18 months has been very difficult for many. That is why in October there will be a replica of the youth tent at big camp ran on the back oval of the school from October 18 to 23. There will be MC's, music, guest speakers and a cafe. It will be a great week aimed for the age group of youth and young adults.

Start to get excited and tell your friends about it, for those who can't make it we will make available on FB live. More info to come as the week gets closer but spread the word

COME & BE INSPIRED

7pm, 18 - 23 October  
At Carlisle Adventist College  
Under the marquee on the back oval

# PREP

Last week, Prep moved classrooms! While our classroom is being demolished, we are learning in the chapel. We spent Thursday morning using our muscles to move all our things into the chapel. However, we may have had some help from the 'big kids'! While we are loving our new classroom, we cannot wait to get back to our new classroom!

# PREP Cont ...

# READY, SET, PREP

## YEAR 2

Grade 2 was very excited to have Mrs D back on Monday, after 5 weeks away on long service leave in outback Queensland. Dinosaurs and crocodiles were definitely the theme! They even did maths without realising it! A big thankyou to Mrs Sammut and Mrs Flodine for doing such a great job with Grade 2.

## YEAR 3

Visits from babies and puppies.

# YEAR 3 & 4 CAMP

Years 3 and 4 headed off to Seaforth Pines for their annual camp on Wednesday, 8th September. After the bus trip and settling into "dormitory life", students completed a low ropes course and raft building activity. They did beach art, participated in a gauntlet run, and ended the first day with a bon fire.

Year 4 were able to participate in archery for the first time and they loved it! They shot arrows at targets in the range and had a team challenge where they had to pop all the balloons first.

The year 3 students got to build catapults and do a challenge.

Year 4 also completed team building, played games in the stadium and did orienteering around Seaforth.

There was too much food, and movie night. So much fun was had by all!

Some of the student's favourite activities were:

Winning the pancake eating challenge and the sand art challenge. – Edan

Archery and trying to shoot animal targets. – Amelia

Fun games and archery. – Stephanie

Archery because I got to shoot a bull from a far distance! – Annika

Raft building because we could go in the water when we fell off. – Bailey

All the great food! - Zekiah

Beach art, orienteering and the food. – Rishadh

Mostly learning archery and seeing the lucky 'Robin Hood' shots. – Gabriel

# YEAR 3 & 4 CRICKET - CARLISLE CARACALS

Grade 2 was very excited to have Mrs D back on Monday, after 5 weeks away on long service leave in outback Queensland. Dinosaurs and crocodiles were definitely the theme! They even did maths without realising it! A big thankyou to Mrs Sammut and Mrs Flodine for doing such a great job with Grade 2.

# YEAR 5 & 6 CRICKET

# YEAR 6

## BIG, BIBLE BIBLIATHON

Last Thursday and Friday, the Year 6 students enjoyed a special event to raise funds for their upcoming Echo Creek Adventure Centre Camp near Tully. For nine hours, from 5am Friday morning, there was someone reading a chapter of the Bible. Due to busy Friday, that meant reading at gymnastics, during Japanese class, on the bus and through breakfast and lunch breaks. We are waiting for all the sponsorship funds to roll in still but we hope to raise over a thousand dollars through this simple, yet beautiful reading experience. The event began with some indoor and outdoor games Thursday night, followed by worship, a movie and sleep. Mrs Thomas and Mrs Abell stayed in the Year 5 room with the Year 6 girls and Mr Norman joined Mr Humphries in caring for the boys in their own room. Everyone was sleepy, but bounced straight out of bed at 4:30am and packed their bedding ready for a start in the gospel of John, chapter 1. In the nine hours, 5 books of the New Testament were read, John, Acts of the Apostles, Galatians, Ephesians, and Philippians. The students read 65 chapters, 2,294 verses or 51,176 words! In just 540 minutes! There were yummy food breaks, tired bodies, giggles, amazingly helpful parents and teachers, and many other beautiful moments from the Bible. Thank you to all those who assisted and made it a successful event! We are so proud of our Year 6's and their reading marathon! I hear many of them slept in on Sabbath morning!

# MOLLY AND JESSICA

Mollie recently competed in the Mackay eisteddfod singing solo and received a highly commended. A few weeks ago she also competed in an Irish dancing feis (competition), receiving three 1st's, one 2nd, and three 4th places. In the premierships she won a 2nd and three 4th places. Jessica Dempster also competed in the same feis receiving a 1st place and a 6th place.

# MONIQUE

On Saturday night Monique was awarded the MVP trophy for the U16 Mackay Meteorettes representative season. Monique is also going to represent Queensland at the U16 National Basketball Championships during the September/October holidays. Congratulations Monique on your achievements and we wish you well on your trip to Darwin.

# CARLISE AWARDS

# SONNY - QLD SCHOOL SPORT CHAMPIONSHIP

After participation at the recent Queensland School Sport (QSS) state championships I am please to advise that Sonny Morse has been selected to be a member of the Queensland School Sport 10-19 Years Cross Country Merit Team 2021. Due to COVID-19 Pandemic QSS teams will not be competing at any higher competition in 2021. We would still like to acknowledge Sonny and congratulate him on his achievement.  
Steven Murray – Manager Queensland School Sport Unity

# CAKE AUCTION

A huge thank you to everyone who supported the Year 12 service trip fund raiser. Year 6's sold some delicious haystacks and raised money for their school camp. It was an impressive team effort from our senior primary and secondary students. A big thank you to Lou McNeil for his entertaining auctioneer skills as well. Another big thank you to our judges, Patty Shepherd, Shirley Forbes and Liz Keys who had a very difficult time selecting the category winners with so many spectacular creations to choose from.

The students raised around \$9000 dollars towards their trip, a record breaking fundraiser. A former student, Brooklyn Gobbert, made the most expensive cake for the night, a gorgeous chocolate creation which sold for a record breaking \$2100!

And the category winners are...

## Cupcakes

1st Place – Pigs and Sheep for attention to detail - Aimee Roach

2nd Place – Sesame Street characters for choice of colour and creativity – Liz Flodine

3rd Place – Pandas for neatness and precision – Jeny Abell

## Best Decorated

1st Place – Orange Macaroon Cake for overall appearance and difficulty – Jai Svenson (with some help from mum)

2nd Place – Pink Bubble Cake for attention to detail and difficulty – Jeny Abell

3rd Place – Mr A's Garden for creativity and originality – Minah Amuimuia

## Novelty

1st Place – Frutti Tutti for creativity and originality – Danielle Skinner

2nd Place – Jazz the Cat for attention to detail, neatness and precision – Jordie Boler (with some help from grandma)

3rd Place – Cactus for originality, choice of colour and creativity – Orrani Fatnowna

## Cakes and Slices

1st Place – Hand Painted watercolour biscuits for neatness and precision and overall appearance – Erin Burgess

2nd Place – Chocolate mint dream slice for overall appearance, originality and richness – Rachel Pearce

3rd Place – Chocolate Afghans for creativity and attention to detail – Liz Flodine

# BOOK WEEK

# CAC CONCERT

# INSIDE OUT DAY

Tuesday Sep 7 we participated in TUFMINDS "Inside Out" day at school. This event encouraged people to wear their clothes inside out for a gold coin donation that teachers will collect during homeroom. The goal was to raise money to support local community and charity programs to continue their research into suicide prevention. Inside Out Day: 'Cause your thoughts INSIDE create your world OUTSIDE

# YARBUN CREATIONS

Some of our Indigenous students spent their student free day participating in a Soap and Bath Salts Workshop run by Yuwibara Traditional Land Owner Melanie Kemp through Yarbun Creations. They learnt about the different native ingredients that are in the products, how they are sourced and what they are traditionally used for.

# YARBUN CREATIONS Cont ...

# ART

This term has been very eventful in the art room and outside. Students from year nine and ten got to see their mural being unveiled by Mr North and Mrs Osborne in the ELC and were even treated to a morning tea from the children. Year two were able to go to the oval to paint a didgeridoo. Year six continued with their printing and year seven have almost all finished their celebration masks. Year five completed their stocking sculpture and year four finished an animal museum piece for their classroom.

It has been a very busy term and the students have worked hard at problem solving and taking risks. The art room also held a book making workshop for teachers, art assistants and senior students. It was a great get together for staff and a wonderful opportunity to raise some funds for our senior students. I'm looking forward to an equally busy term four and I pray God continues to bless and keep you and your family safe this school break. - Di

## QCAA Invigilator Roles

Do you want to help Year 12 students during their external examinations and get paid for it? Applications from Queensland community members for invigilator roles are now open. Invigilators are appointed as casual employees by the QCAA. To be eligible to apply for a QCAA invigilator role, community members must hold a current, paid blue card, or, for teachers with a current Queensland College of Teachers (QCT) registration, an exemption card from Blue Card Services. Applicants must be at least 18 years old and eligible to work in Australia. They must possess personal attributes of discretion, tact, attention to detail, and an ability to maintain confidentiality, as well as meeting straightforward requirements for identification and access to technology. For more information, use the following link <https://www.qcaa.qld.edu.au/senior/assessment/external-assessment/external-assessment-invigilators/external-assessment-invigilators-faqs> or contact the school.

## Absentees

Frequent absences make it difficult for teachers who have to continually re-teach information and skills.

# Chaplain's Corner

We hope you have had a wonderful term!

This term has been filled with many events, twists and turns. A few of our highlights in the chaplaincy department include, Mesh's, having the Bella Girls Program come in to speak to our senior high school girls, having our male teachers speak to our senior boys during chapel time and Friday Night Bible Studies. For our last Friday Night Bible study program, we had the majority of our students who were baptised last term, speak to us about their decision. It was very inspiring hearing about their stories and the things they have learned since being baptised. We hope you all have a great holidays!

Cast ALL your anxiety on HIM because He cares for you  
1 Peter 5:7

The Lord will stand with you and give you **STRENGTH**  
2 Tim 4:17

**THINGS YOU CAN CONTROL**

# YOUNG ENGINEERS WORKSHOP

Young Engineers workshops on CQU Ooralea Campus will run during Spring Holidays (30/09-01/10). Young Engineers is a fun and interactive STEM based program aimed at school children from Yr1 – Yr8.

## SPRING HOLIDAY

### ENGINEERING, ROBOTICS & ELECTRONICS 2 DAY CAMP WONDER KIDZ

Building 5 - CQU Ooralea Campus

Thursday 30th September to Friday 1st October

Eligibility	Date	Time	Fee	No. of Days	Book online
Yr 1 - 8	30 Sept - 1 Oct	9:00am to 3:00pm	\$165	2	<a href="http://www.trybooking.com/BTOZN">www.trybooking.com/BTOZN</a>

From Sustainable farming to self-driving cars, **Advanced Engineering & Robotics** model a range of real-world situations that teach students a complete understanding of how the technology works and used to solve the issue at hand. The engineering lessons engage kids with a hands-on learning environment and immerse them in the applications and possibilities of modern technologies. Through PBL ( Project-based learning ), students combine hardware, Lego® compatible building blocks, and coding to create a prototype and solve real-world problems. The projects are designed to encourage students to invent other viable solutions to these real-world issues and explore ways to utilize existing technology. The completion of these projects will boost confidence and create problem solving ability in students to overcome any challenge from working in their future jobs to solving our world's current or future problems. **All activities are adjusted to the student age and we tackle different challenges on each day.**

*Early bird discounts apply automatically on booking page. Limited spaces available.*

**Build Your Tomorrow. Today!**

**Engineering & Robotics Program** provides theoretical knowledge in software and mechanical engineering combined with mathematics and physics.

**Electronics:** Our electronic kits are specifically designed to minimise assembly time which creates more opportunity to explore the learning's behind how each experiment works. Learn to build circuits in the classroom.

**Build-Up Program** is designed for little children where they start from learning the basics of building Lego Models including improving them and end up building models independently with a friend and

# GRANDPARENTS SUPPORT GROUP

Are you raising your grandchildren or helping to look after them?

This group may be for you. It will be a time when you can talk to others in a similar situation as you.

We will meet once a month; afternoon tea will be provided and occasionally we will have speakers discussing subjects that you are interested in.

## Grandparents Support Group

We are having a change of venue and day for the month of October. We are meeting for morning tea at the Wake Park Cafe

**Date: Friday 1<sup>st</sup> October**
