Carlisle Adventist College is an independent co-educational school, providing an excellent holistic education from Early Childhood Care through to Year 12, founded on Biblically supported principles and values. The College is respected for fostering self-confident, responsible and successful students, and for developing each individual to their fullest potential by providing a tradition of education balanced in academic, sporting, artistic and spiritual nurture.

Established in 1950 and moved to the present site in 2006, Carlisle Adventist College is set in a beautiful creek-side environment in tropical Mackay.

Students at Carlisle are encouraged to develop a spirit of teamwork, achieve personal goals, and develop a strong positive character through participation in a broad range of co-curricular experiences both inside and outside the traditional classroom. Opportunities are offered through the school's wholistic range of co-curricular, extra-curricular, service programs and trips and the annual Year 3-12 camps.

The emotional, social and spiritual wellbeing of students is a priority at Carlisle. An extensive Chaplaincy program supports the needs of the Carlisle community, working with teachers, year level coordinators and professional counsellors to provide the nurture and care each student requires. The development of student leaders is facilitated through the Chaplaincy program, with opportunities for community service, presenting church programs, and involvement in the active Student Representative Council.

Students are taught to apply Biblical principles to everyday life through the development of Christian values and morals. Religious Education is an integral part of the curriculum and students are encouraged to challenge and discuss spiritual and moral issues. Chaplains co-ordinate weekly worship services and are responsible for pastoral care, Bible studies, baptism preparation courses and personal or family nurture.

Carlisle Adventist College is committed to ensuring that each individual student is challenged and supported in achieving to their fullest potential, growing in independence and self-esteem so they can confidently pursue their chosen career path, becoming active participants in society.

OUR STRUCTURE

Childcare and Early Learning Centre

Our well-equipped and fully accredited Early Learning Centre lays strong Christian foundations for capable, confident and self-disciplined children. The centre also offers parents the convenience of having their children cared for in the one location. The specially trained staff motivate each child, and the age-appropriate learning experiences prepare them for formal schooling. Outside School Hours and Vacation Care are also available.

Primary School (Prep - Year 6)

Our Primary School focuses on nurturing children through the early years of formal schooling with a caring community of staff, students and parents. A well-rounded curriculum, balanced with pastoral care and student support, provides a solid base for personal achievement. The school's values program is introduced in the Primary School, developing positive character and social traits as the children grow.

Digital Technology is an important focus at Carlisle because it supports and enhances teaching for learning. Our classrooms are equipped with interactive smartboards and our primary classes have iPads / laptops available for their use.

SECONDARY SCHOOL

Our Secondary students are encouraged to discover their personal interests and develop their full potential through a balanced and flexible curriculum, which covers the core learning areas along with providing opportunities to experience a broad range of electives. Carlisle Adventist College recognises that students in the lower secondary have unique needs. At this crucial age students need to be engaged in meaningful and relevant learning with teachers who are genuinely interested and care about their students' wellbeing. Students are encouraged to recognize that success requires a commitment to life-long learning.

Students in Year 10 have a variety of subject options available, which form a strong base for selecting either academic or vocational pathway's in Years 11 and 12. Work experience, career guidance, and academic support in an ICT-rich environment are key components in preparing students for success in their senior years of schooling.

OUR CURRICULUM

Carlisle Adventist College has implemented the Australian Curriculum (ACARA) from Prep to Year 10, catering for students with a variety of abilities and interests, supported by a strong co-curricular program.

A description of subjects in Years 11 and 12 can be located on our website. Those students wishing to gain a place in a university course will do so based on the calculation of an Australian Tertiary Admission Rank (ATAR). The calculation of an ATAR requires the choice of a minimum one English subject plus four others to give a study package consisting of four General subjects and one other (Applied or Vocational), or a minimum of five General subjects (including English).

Primary School

Our Infants teachers (Prep to Year 2) work with our students to build a strong foundation by teaching the basics of literacy and numeracy as well as the many other skills that they will need to become successful students.

In our Junior School (Years 3 – 6), the focus is on the development of independent thinking and working skills that build on the strong foundation that has been laid in the Infant School.

Our Prep to Year 6 students have specialist Art, Library, Music and Physical Education teachers to teach those subjects, and Year 4 - 6 students are taught Japanese as part of their curriculum leading into Middle School. We also have a Learning Centre staffed with teachers and teacher aides who assist students in class, as well as providing the opportunity for students who need it, to receive small group support.

Secondary School

In addition to the core subjects of Bible, English, Mathematics, Science, History, Geography, Physical Education and Health, our Year 7 - 9 Middle School students study a wide range of other subjects including Visual Art, Drama, Music, Design & Technology, Business, Cooking, Digital Media Technologies and Japanese. In addition to the core subjects, our Year 10, 11 and 12 Senior School students also select elective subjects from a wide-ranging list which includes both ATAR (GENERAL) subjects as well as vocational options, including certificate courses such as Hospitality, Early Childhood Studies, Engineering/Construction along with supporting other courses from external providers.

OUR STUDENT CARE PROGRAMS

Carlisle seeks to promote a warm, friendly and nurturing atmosphere within the College.

- An active Student Representative Council (SRC) frequently holds lunch time activities. Some of these social occasions involve fundraising for either the College or a chosen charity.
- The chaplains are always interested in student welfare. They take a daily interest in students' successes and difficulties. Counselling support is also available.
- Three chapel programs run each week. The worships are specifically planned for Junior, Middle and Senior Schools. This promotes the strong spiritual tone of the College. Senior administrators show their support for this program by their weekly attendance.
- Leadership is strongly advocated at Carlisle. Special events are organized to help student leaders further enhance their skills of leadership.
- Our School Values Program is based on Biblical principles. The program aims to help children be kinder and more cooperative and helping to improve emotional intelligence by leading children through learning (priming) and then practice. It aims to help children be more aware of their feelings and develop empathy, improve focus and cooperation. It also helps children understand the role of rest and renewal and builds self-esteem.
- Bullying is confronted by a comprehensive student management policy in dealing with the management of bullies.
It is addressed in classrooms, chapels and assemblies as needed. Bullies are counselled and supported through a Restorative Practice Program and if no improvement is made, they can be asked to leave the College. Staff are trained and supported regularly in relation to bullying issues. Our Encounter Bible Program, Prep to Year 12, is specifically created to build self-worth while introducing and modeling values that will support our students for life.

OUR PARENTS

Parents are invited to contribute to the mission and operation of the College and are involved in many ways.

- Our Parents & Friends leaders as well as the committee members, are elected from the parent body of the College. Parents are encouraged to attend and contribute at the monthly meetings.
- The Parents & Friends President reports to the College Advisory and from time to time parents can be asked to be involved in sub-committees of the College Advisory and the P & F.
- Our parents are also encouraged to support, as and when appropriate, with reading programs, excursions, sports carnivals, College events, as well as supporting the College when classes take church services and other programs in the community.
- Our parents are surveyed annually for their perspective on the operation of the College.
- Our P & F undertake fundraising activities to assist with development around the College.

Management of Non-attendance

Primary class rolls are marked at the beginning and end of day. Secondary class rolls are marked each period. Notes are made in the roll as to why children are absent – i.e. sick, leave or unexplained. Parents/carers are requested to email or phone the College in the event that a student will not be in attendance for that day. Parents should provide a reason for a child's absence either before or on the day of the absence, or as soon as is practicable.

If absent the College will notify parents via SMS of an unexplained absence of their child as soon as practicable on the day of the student's absence, allowing time for parents to respond prior to the end of the school day.

Unexplained absences will be followed up once a week with an email reminder asking parents/guardians to provide a reasonable explanation for a child's absence.

OTHER INFORMATION

Value Added

Carlisle Adventist College offers a supportive, nurturing, educational environment and employs two full time chaplains, two Heads of School and a Learning Support Coordinator to ensure that students are appropriately supported and that this support extends to the families where needed.

Carlisle offers continuity of Christian education and care from Childcare age 2 through to Year 12.

Parent, Student and Teacher Satisfaction

Carlisle Adventist College has experienced ongoing growth over the past eight years. Much of this enrolment growth can be attributed to the expansion of the school program to include Year 12 in 2019. The overwhelming majority of parents interviewed comment that their interest in having their children attend Carlisle was based on recommendations from current or past parents or students. Satisfaction surveys for students, staff and parents are conducted annually.
