

Nurture for Today | Learning for Tomorrow | Character for Eternity

FROM OUR DEPUTY PRINCIPAL

Mrs Isabelle Millien

I would officially like to welcome you all back to Term 3. I pray that everyone had an enjoyable break, got an opportunity to unwind and is looking forward to the journey ahead. This term, as a staff, we will be studying the Gospel of John during our worship. This Gospel is perhaps my favourite as it was the book I learned as part of my Year 12 Religion class back at Nunawading Adventist College in Victoria.

One thing we had to memorise was the seven “I am” statements that Jesus mentions throughout the book of John – “I am the bread of life; I am the light of the world; I am the door; I am the good shepherd; I am the resurrection and the life; I am the way, the truth and the life and I am the vine.” These statements unpack who Jesus is. But what is it that defines who we are? When I look at myself I ask, Am I a mother? A wife? A Deputy Principal? A Friend? Yes, those things help make up who I am, but ultimately “I am a child of God!” And you are a child of God too.

It's good practice to reflect on who we are. This year we have been reflecting on who we are at Carlisle. We have compiled a list of values, and you have the incredible privilege, along with our staff and students, to help choose the four central values that reflect what it means to be a Thriving, Christ-Centred, Learning Community, which is our school's vision.

Please join in on the process to help Carlisle find its “I am” statement so that we can become the shining light in our community. See the survey link on the next page.

CARLISLE ADVENTIST COLLEGE VALUES - SCHOOL COMMUNITY SURVEY

Thank you to those who took the time to fill in the previous 'Who are we at Carlisle Adventist College' survey telling us what each of the main words in our mission - Thriving, Christ-Centred, Learning Community - means to you. The staff have combined those responses with their own and what students have mentioned and compiled a list of values.

It is now your opportunity to choose a value from that list for each word. The top four values will become our central values at Carlisle Adventist College. We value and appreciate your voice and opinion during this process.

If you have already filled in the survey that was emailed out early this week we thank you. If you haven't already, please take the time to complete this short survey by clicking on the link below. There are only 4 questions which will take no longer than 3 of your minutes.

SEQTA ENGAGE

SEQTA Engage is a school app to help keep you informed of what is happening at Carlisle. SEQTA is widely used amongst many schools across Australia and we would like to see its benefits employed at Carlisle too.

The SEQTA app allows you to see your child/ren reports and notices which include the value of the week and what uniform to wear. In the Secondary School you can also see your child/ren timetable and assessments. An activation email will be sent out Friday 22nd July for those who haven't logged in yet. New technology can be daunting for some, so if you are unsure how to set up SEQTA please follow the 7 step instructions on the next page.

We would also like to outline the implementation of our new behavioural policy at Carlisle. This can be found on SEQTA in the Documents section. To not create an information overload, we have explained only the the first stage of our behavioural process on page 4, and will do a follow up on different stages in subsequent newsletters. If you would like to see the full process you can access it on SEQTA.

1) Download this app onto your device

2) When you first open the app it will ask you to set up a user name and password

3) Have your 'Welcome' email ready

4) Scan your QR code from email

5) Once you are in you can click on the 3 lines in the top left.

6) The bell in the top right is the notifications and lets you know when the school has sent out something.

7) Each of these tabs will give you different bits of information

- Timetable (secondary) - you can swap between children
- Notices - There is a Primary and Secondary one that is updated every Sunday evening
- Documents - School policies and forms
- Reports - Past reports

BEHAVIOURAL PROCESS

In Documents on SEQTA Engage, is our Behavioural process for Positive Behaviour for Learning. This is the system that we have been rolling out this year at Carlisle.

Updated:10/07/2022

Behavioural Process

All of our students start in the Tier one and most of our students stay in that Tier as they behave well or respond to being refocused, redirected, retaught the expected behaviours. If your child/ren makes the wrong choice they then have reflection time with Welfare Coordinator. Three reflections in a week means they move to Tier 2. You can see Tier 2 in SEQTA Engage. It will also be explained in our next newsletter. Watch this space!!

Community ↔ Christ-Centred ↔ Thriving

CARLISLE STRING ENSEMBLE BEGINS WEDNESDAY 27 JULY

The String Ensemble will be starting on Wednesday 27 July. Our teacher, Rosemary Shepherd, will be running the lessons between 12:30-1:10pm. If your child/ren already attends violin lessons the cost will be \$5 a session, if they don't attend lessons then the cost will be \$10 a session. If your child/ren plays a string instrument and would like to be part of the ensemble please email our Deputy Principal, Isabelle Millien and notify her what instrument your child plays and their level (ie, Beginning, Intermediate, Accomplished) at imillien@carlisle.qld.edu.au

AFTER-SCHOOL ROBOTICS CLUB BEGINS

The new after-school Robotics Club has officially commenced on Wednesday afternoons from 3.30-4.30pm. It is open to Year 5- 8 and cost is \$50. There are still 2 spots available. Be quick to avoid disappointment. Contact Mr Hokin at bhokin@carlisle.qld.edu.au if you are interested.

AFTERNOON PICK UP

Please remember to use your family name on your car visor during school afternoon pick-up to help with the process. If you do not have one please contact the office.

NO HAT-NO PLAY

A reminder that ALL students need to have a school hat before school, during recess and lunch times. If your child/ren does not have a hat they will be sent to the office for a uniform pass. Three uniform passes without a note, in a week means they are completing a lunch time reflection.

ACTIVE AUGUST- GET ACTIVE AND GIVE PEOPLE IN POVERTY A STEP-UP

"Every day people living in poverty are missing out on food, clean water, education, and employment simply because of the distance they must travel to access these necessities. This plunges them even further into poverty and disadvantage." (Active August website)

It's for this reason that Active August was setup. The Mackay community and our very own Pastor Matt is taking on the challenge to raise funds and donations that will help disadvantaged people escape poverty and thrive.

As part of the challenge Pastor Matt will be walking 4km a day. Pastor Matt says, "We have a Mackay region page where people can donate and also join the challenge. We are having a bit of fun as well with Townsville where we are aiming to do better than them." Here is the link if you would like to check out or participate.

OUR CARLISLE TALENT

Congratulations to Monique Bobongie and the U17 Australian Sapphires squad. During the Holidays the team claimed GOLD at the U16 Women's Asian Championships, edging out Japan in a nail-biting final to win by 1 point. Final Scores AUS 59- JAP 58. The Sapphires were in extremely good form throughout the Asian tournament and didn't drop a single game along the way to claiming 1st place.

After the success of the Asian Championships there was brief time for celebration as the girls made their way to Hungary to compete in the U17 Women's World Cup. The Sapphires managed to claim 5th place, defeating Hungary with a score of 72-52 in their final game.

Well Done Monique!! It looked like an experience to savour for the rest of your life and we wish you God's blessings for the future.

OUR CARLISLE TALENT

Congratulations to Jordan Hollywood and his U14 Mackay Meteors team. During the school holidays the team travelled to Brisbane to compete in the QLD State Championships. They walked away with 4 wins and 3 losses, finishing 7th overall in the U14 Division 1. A super effort and we couldn't be more proud. Keep up the good work Jordan and team.

LET US CELEBRATE YOUR CHILD!!!

We know that being a student at Carlisle Adventist College is an important facet of your child's life, and we also know that many students have interests, skills and talents away from school life. That is why we are calling on parents to share your child's accomplishments with us.

Whether your child is an aspiring athlete, a talented musician, a dance sensation, or just won a Noble Prize we think they're pretty special too and we would love to celebrate their success with you.

Please feel free to email and send photos to our Communications Officer at smillien@carlisle.qld.edu.au and we'll be sure to let the whole school community know how awesome your little one is.
