

Nurture for Today | Learning for Tomorrow | Character for Eternity

## FROM OUR PRINCIPAL

Dale Skinner

Dear Carlisle Families,

I pray that each of you have had time to relax and reconnect over the school holiday break. I'd like to welcome all our returning students and families, and also extend a warm welcome to all our new students and families that are joining us in Term 2.

As we embark on the exciting journey of Term 2, I am filled with a deep sense of gratitude and joy. I am grateful for the opportunity to witness the growth and development of our students, and joyful to see our school community come together in the spirit of learning, faith, and community.

As a Christian school, our mission is to not only provide an outstanding education, but also to instil in our students the values and virtues that will guide them throughout their lives.

As we reflect on Term 1, we have seen our students excel academically, socially, and spiritually. They have demonstrated resilience, empathy, and a commitment to service.

As we transition into Term 2, let us continue to nurture and develop these qualities, ensuring that our students become well-rounded individuals who are prepared to face the challenges of the world with grace, wisdom, and love.

Many Blessings,

Dale Skinner

World events surrounding the last few years really put a hold on all our lives and aspirations. As a school community we are slowly but surely returning to some form of normality.

This year our Parents and Friends (P&F) committee is back in operation. We have sorely missed that community element of school.

We require the passion and commitment that parents share for Carlisle in order to truly thrive as a learning community.

If any parents, grandparents, or family members would love to help and see Carlisle flourish, then please reach out to us. We would love to hear from you.

## A FEW CORRECTIONS OF DATES:

Some of you may have noticed on our school calendar and website that we put June 15th as the Show Day Public Holiday. The Show Day Public Holiday is in fact on June 22nd. Please note that June 15th is still a school day. This has now been amended on our website to reflect the correct date, but please make a change on your calendar if you have them up at home.

The school Calendar also had Mother's Day on May 7th. Mother's Day is in fact on May 14th. Therefore, our Muffins with Mum will be on May 12th and our Mother's Day stall will be on May 11th. Please make note of these changes on your calendar as well. We apologise for the mix-up in dates.

# YEAR 9- SURVIVOR CAMP

Our Year 9 class have spent the week on a SURVIVOR CAMP At Eungella. The students were tasked with designing and making their own shelter. Mr Hokin showed everyone the correct way to cut down a tree with an axe, and then it was up to the students to begin sourcing and creating their own shelter.

Heavy rains prevented everyone from sleeping in their shelters on the first night. Fortunately, our staff were kind enough to let everyone sleep under the shed area.

Mr Norman taught our students how to light a fire for warmth and cooking meals. Everyone was then challenged to recreate their own fire. This definitely resembles something from a SURVIVOR CHALLENGE on TV.

Survivor camp challenged some of our students to get out of their comfort zones and learn valuable skills that they may otherwise never know. Some of our students were learning to tie a knot for the first time.

Some photos of the first two days of camp are on the following page. We would like to thank Rick and Barb Chelman for allowing our staff and students to use their property over the course of the week.

## WE ARE STARTING A HIGH SCHOOL CHOIR

Today we held OPEN AUDITIONS for our Secondary students who would like to join our new Secondary choir. Being part of a choir is great for establishing friendships, building self confidence, and working collaboratively to praise God. This will also provide our Secondary students opportunities to present at school and community functions.

# FIJI "FLY AND BUILD"

Many of you know that Carlisle is a school that has a heart for community service. Last year, our Year 12 students went to Tasmania at the end of the year to feed the homeless and help repair a church and campsite.

This year, the Year 12 group are heading to Fiji to help build a church. You read that right, an entire church. Our Year 12 students will be assisting the Grace Seventh-day Adventist Church in Nausori, Fiji. The church members are currently worshipping in a shed.

We love being a school that can offer such life experiences to our students. Here are some pictures of the current members and their church. If there is anyone that feels inspired or impressed to join us, you are more than welcome to join. More hands make light work. Just e-mail Mrs Millien at [imillien@carlisle.qld.edu.au](mailto:imillien@carlisle.qld.edu.au) to express your interest and learn more details.

Here are just a few pictures of the current members worshipping in their church.

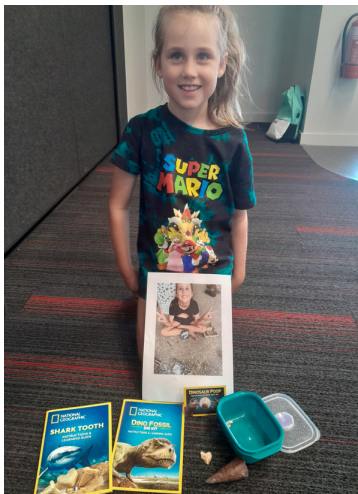

# OSHC NEWS

Ms Fiona Gibbs/OSHC Coordinator

Over the school holidays the Carlisle OSHC team do an amazing job to provide entertainment and care for our students in Vacation Care. Here are some of the happy snaps, showing the different activities the kids got up to during the break.

# HEALTHY IDEAS

Mrs Kathryn Curtin/Primary Teacher

At Carlisle, we want to promote the healthy development of our students to help them with concentration and focus so they can grow to be the very best version of themselves.

We all know that when providing food to our young people, fresh is best however we understand that with our busy lifestyles, packaged foods can be a quick and convenient alternative when packing daily lunchboxes. Unfortunately, a lot of those packaged foods can contain loads of sneaky chemicals that can have side effects on our little one's bodies and behaviours.

Fortunately, there are some simple swaps that we can make by reading ingredients lists. Please stay tuned each newsletter to find these simple swaps and recipe ideas to help you and your family become more aware of what you may unknowingly be consuming. Together we can make a difference.

**SUPERMARKET SWAP.**

MALTODEXTRIN (CORN), CONCENTRATED FRUIT PUREE (21%) [APPLE (15%), PEAR (4%), PEACH (2%)], SUGAR, SOLUBLE CORN FIBRE, MODIFIED STARCH (1442), FRUIT JUICE CONCENTRATES (5%) [APPLE, PINEAPPLE, ORANGE], SUNFLOWER OIL (SOY), PLANT ORIGIN EMULSIFIER (471), FOOD ACID (MALIC, ASCORBIC), NATURAL FLAVOUR, VEGETABLE GUMS (410, 415), COLOURS (ANTHOCYANIN, TURMERIC), VEGETABLE CONCENTRATE (SPIRULINA, SAFFLOWER).

APPLE PUREE, STRAWBERRY PUREE

**start simple. shop smart.**

A nutrient-rich diet plays an important role in your child's mental and physical development. Unfortunately, children who don't eat a varied diet that includes enough fresh and whole foods risk long-term health consequences.

**In some children, poor diet may be associated with:**

- behavioural problems.
- sleep issues.
- problems with emotional and psychological development.
- poor concentration or difficulties at school.

To commiserate the upcoming ANZAC Day, the school Library team have put together an ANZAC display for our students. Our Library is always finding ways to celebrate and engage with our students around special events.

Last Term the primary students had a world race during library sessions. Congratulations to the Year 5 class for being the quietest and most respectful class during Term 1. Year 3 came a very close second. Well done to them too.

# JETS CAMP

Over the school holidays, some of our Carlisle students attended JETS camp with their classmates. This camp was coordinated by the Adventist Church, Northern Australia Conference.

Since Carlisle Adventist College is part of the Adventist Church, we believe it's important to show families some of the extra-curricular activities that the church offers to Carlisle students. Any events or clubs that you see advertised are OPEN to ALL our students regardless of their faith or beliefs. Here is a rundown of JETS CAMP 2023 as:

**Submitted by Lorraine Atchia (Youth Ministries- Seventh-day Adventist Church, Northern Australian Conference)**

Over 50 juniors and teens attended the annual Northern Australian Conference JETS Camp from April 7-12 at Quinola Lakes, situated in the Atherton Tablelands.

Campers from Mount Isa, Cairns, Mareeba, Townsville and Mackay enjoyed four days full of activities, including water sports, ZORB balls, volleyball, basketball and crafts. The camp ended on a high with a dress-up banquet on the final night where campers and staff dressed up as their favourite book, movie or game character.

Each morning the campers read devotions in their cabin groups and each evening there was a camp worship with uplifting songs and music, and great messages to Ready Up from guest speaker, Pr Carlos Fauatea. The messages encouraged the juniors and teens to surround themselves with people who would influence them positively and challenged them to find who they are and what they are able to do to Ready Up for Jesus.

At the end of camp, 35 kids made a commitment to Jesus, 24 said they were interested in Bible studies, 16 want to learn more about baptism or be baptised and 14 are interested in being mentored.

We were blessed to be surrounded by an incredible group of campers and staff, making the camp a success with memories that will last a lifetime. The Youth Department is looking forward to JETS 2024 which will be held from 16-19 January 2024.
