FROM OUR PRINCIPAL

Dale Skinner

Happy New Year and welcome to another exciting year! As we embark on the journey of 2024, our theme for this year is 'Pulling Together,' inspired by the collaborative and synchronised effort of a rowing team of eight.

In the sport of rowing, each member of the eight must row in unison, each stroke perfectly timed with the others, to propel the boat forward. If one rower is out of sync, it affects the entire team's progress. This year, we aim to emulate this spirit of unity, collaboration, and mutual support within our school community.

Just as it is with the rowing 8, our journey will require each of us – students, teachers, parents, and staff – to pull together, to work in harmony towards our shared goals. We are all part of this team, and each of us plays a crucial role in our collective success. Let us commit to supporting each other and fostering a spirit of cooperation and mutual respect.

As we navigate the challenges and victories that 2024 will undoubtedly bring, let's remember the lesson of the rowing 8: the power of pulling together.

In the words of Romans 15:5-6 "May the God who gives endurance and encouragement give you the same attitude of mind toward each other that Christ Jesus had, so that with one mind and one voice you may glorify the God and Father of our Lord Jesus Christ."

May God bless and guide us in this endeavour.

PB4L FUN DAY STARTS 2024

Take a look at this photo to your left. This is an unprompted, genuine moment when a Senior student takes it upon himself to tie the laces of a younger student.

If you were to ask us: What's the purpose of commencing the school year with a Positive Behaviour 4 Learning (PB4L) day? The answer lays exactly in the question: Building Positive Behaviour.

This year's PB4L Fun day saw the students prepare meals for local ADRA charity 'Mealtime on Milton' and creating a mural which represents the cultural diversity of the students in our school.

It's important that we commence a new year on the right foundation, hence why we also mark the first day with an afternoon prayer dedication. Our school operates for God's service, and we seek His guidance for the year ahead.

CARLISLE WAY AWARDS

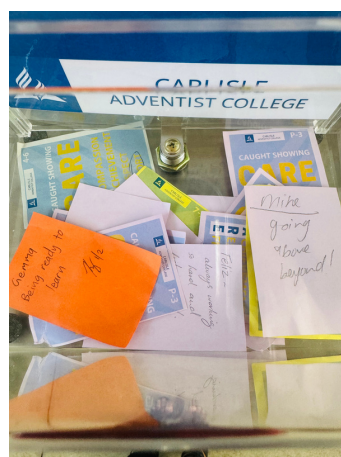

At Carlisle WE CARE: Compassion, Achievement, Respect, Effort. These are our 4 school values.

Every week we celebrate a different value at our school assembly and acknowledge those students that are living in the Carlisle Way. Pictured above, are this week's award winners.

This year we are taking our CARE values one step further with the introduction of "Caught Showing CARE cards". Teachers can hand a card to students that are caught in the act of service. The student then places their card into their House colour box. At the end of the term the House colour with the most CARE cards will receive a prize.

Individual prizes will also be drawn for various age groups at our weekly chapels. CARE cards are an entire school initiative from P-12 and will continue to ensure we're building the best possible school culture at Carlisle.

OSHC NEWS

Sandra Wilde/
OSHC Coordinator

OSHC would like to acknowledge the traditional owners, the Yuwi People, of this land that we live on. We pay our respects to elder's past, present and emerging.

We had a busy and enjoyable holiday program. The program began with board games and a Lego competition, where children worked in teams or individually. During the holidays, we also followed the Bible Buddies worship project every day, where they had a little video of the day and worksheets that could go with the video.

The children had many exciting opportunities, including learning to play softball with the help of a patient instructor, Elijah. He taught them the game's rules, how to hold the bat and hit the ball, and how to field, catch, and throw the ball to the next base before the runner reached the first, second, or third base. They also learned how to play basketball with Cheyenne. All the children loved that and asked her to please come back.

Another enjoyable moment was when the children took over the art room, using water colours and pencils to create masterpieces while listening to Mozart.

We took the children on a journey worldwide, visiting different countries. Before starting the activity, we showed them a video explaining travel and how they need passports, tickets, and gate passes. Each child had a passport and received a stamp for that country when they visited and answered the worksheets as a team.

Wheels Day was great fun. The children learned about road safety and enjoyed riding their bikes and scooters in groups around the school, following the Give Way and Stop signs. The children also enjoyed a fabulous end-of-year party before going on holiday for two weeks.

When we returned in January, we welcomed new friends from the ELC, who had now started in Prep. They settled in well and loved coming to OSHC. During January vacation care, we had lots of fun with jumping castles and water slides, which were the favourites of most children, and a fun day going out to the Alpaca farm. The children watched a baby chicken hatch and fed the guinea pigs, donkeys, goats, horses, deer, and alpacas. They also had the option to take a photo with the alpaca.

We want to thank the dedicated Educators who worked together to make this vacation care program successful. We would also like to take this opportunity to express our gratitude to Mrs. Fiona Gibbs, who has recently moved on to a fantastic opportunity. Although we miss her, we wish her all the best in her future endeavours.

CARLISLE TALENT

Congratulations to Jackson Birch in Year 7 who made a splash returning to swimming in January, after almost a year-long break. At the Mirani carnival a fortnight ago, Jackson moved up to A grade for 50m freestyle and backstroke and qualified to attend Queensland State Sprint Championships mid-February.

Keep up the good work Jackson and the results will sort themselves out.

At Carlisle we want to celebrate every child's success and achievements. It doesn't necessarily have to be sporting or competitive in nature. If your child is part of any club or activity that they hold dearly and are achieving great things in life, we'd love to hear about it and share it.

Please feel free to email and send photos to our Communications Officer, Stephane Millien at smillien@carlisle.qld.edu.au and we'll be sure to let the whole school community know how awesome your child is.
