

Nurture for Today | Learning for Tomorrow | Character for Eternity

FROM OUR DEPUTY

Isabelle Millien

A few years ago I participated in two separate Tough Mudder events. If you're not familiar, Tough Mudder is an endurance event with various obstacle courses designed to test your strength, stamina, and mental grit. Each obstacle plays on common

human fears of heights, water, confined spaces, freezing and muddy conditions, and even being electrocuted.

Whilst you DON'T need a team to register for the event, I was definitely grateful for my friends who signed up with me and encouraged me to keep pushing ahead when the challenges seemed too hard. What surprised me the most though was that random strangers competing in the event would also lend a helping hand and encourage one another to keep pressing ahead. No one was ever left behind. We were all in the trenches together striving towards a common goal.

Next week is our annual 'Week of Worship' (WOW) and our theme this year is: Stronger Together. I'd like to welcome our Guest Speaker, Eden Ashcroft- Youth Director of the Adventist Sydney Conference. Just like my Tough Mudder experience, we desire teamwork and unity at Carlisle.

I love the celebration of WOW. Let us come together with open hearts and minds, ready to be inspired and challenged by God's Word.

I am excited to see how God will work in and through us during this special week. Let us remain open to His leading and be willing to step out in faith, knowing that we are indeed stronger together.

CLEAN UP AUSTRALIA DAY

We have a jam-packed day of activities lined up for our students this coming Wednesday. In addition to our Slime Fun Run and Week of Worship, all our students will be partaking in Clean Up Australia Day.

ALL students will need to be dressed in SPORTS uniform this Wednesday, 6th March and don't forget to pack a WHITE top for the slime run.

This year we decided to increase our Clean Up Australia Day efforts and do some community service. The Primary students will remain on the school grounds to ensure our school is a clean, proud and respectful place of learning.

Our secondary students will be venturing off-site to ensure we are giving back to our local community. Here are the different locations that each class will tackle.

- Year 11-12 students to Harbour Town Beach
- Year 10 in two groups walking off-site to two local parks - Celeber Drive Park and Mansfield Drive Park.
- Year 9 to clean Holmes Road and Leahy Drive
- Year 8 bottom oval
- Year 7 to clean Carl Murray and front car park
- Year 5&6 back of the school - as far back as safe
- Year 3&4 oval and playground
- Year 2 shed
- Year 1 buildings and garden
- Prep quad

Notes: Students will need to bring their hats. Gloves will be provided.

MACKAY BIG IDEAS CHALLENGE

Anneli McBride/
Year 5 Teacher

On Tuesday, 20 students from Year 5, 6 and 7 went to CQ University for the Mackay and Whitsundays BIG Ideas Challenge. Presenters from Future Anything took students on a journey of curiosity, creativity and entrepreneurship in a quest to go big, go wild and go together to develop a product or service the world needs.

Students were presented with a variety of challenges ranging from “develop a creative solution to improve sleep” to “pick your own issue based on your passion, lived experience and the impact it will have”. They worked in small groups to develop a prototype of their idea, which they then pitched to the larger group. The winning product of the day was an anti-bullying smart-armband with a built-in camera, the ability to record conversations and connect live to a safety person.

Students learned that most good ideas sound crazy when they are first thought of, and that it is not necessarily about what you know, but what you can do with what you know.

CARLISLE WAY AWARDS

Every week we celebrate one of our CARE values. Here are the recipients of the Carlisle's Way Award for Week 5
